EU Type Examination Certificate

Date: 2021/08/04 n. **469213101/OE** Validity: 2026/08/03

Functions and performance levels:

Requirements according to EN 13634:2017: all mandatory ones, among which:

Height of upper level 2
Impact abrasion resistance of the upper level 1
Impact cut resistance of the upper level 2
Transverse rigidity of the whole footwear level 2

Optional requirements according to EN 13634:2017:

WR = water resistance of the whole footwear.

NOTE: the Technical Standard provides 2 performance levels with level 2 meaning the higher performance.

Marking:

printed on a stitched label and displaying the following information:

- CE Marking;
- name/Trademark of the Manufacturer;
- item designation (= commercial name + alphanumeric code);
- pictogram to indicate the motorcycle use + nr./year of the reference Standard + levels of performance reached during laboratory tests + optional requirement (WR);
- date of production (month and year);
- pictogram instructing to read the User Manual;
- size indication;
- additional information: "Made in..." (Romania, Croatia or Bosnia) and batch number.

NOTE: the Technical File contains a more detailed description of the PPE (material, method of assembly, photographs or drawings), performance data, safety functions and level of protection, elements of conformity to the basic and supplementary requirements.

The Technical File is integral part of the present Certification, which has to be kept available by the applicant to be forwarded - upon request - to the entitled person (supervising body, Controlling Officer).
