

# EU Type Examination Certificate

Date: 2020/10/02

n. **469204020/OE**

Validity:  
2024/07/21

This Certificate cancels and replaces the previous one n° 469193001/OE dated 2019/07/22.

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	<b>SDE MOTORSPORT s.r.l.</b> via Giorgione, 5 – 31030 ALTIVOLE (TV) – ITALIA	
Type of PPE:	<b>motorcyclists' protective footwear</b>	
Category of PPE:	<b>II</b> : "medium" risks. This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.	
Model	<b>"LEGACY Dry FORU19W"</b> col. BLACK (99)

Intended use:	use by motorcyclists for normal road activities, mainly on urban roads (e.g. scooter, etc.)	
Size range:	from 36 to 48	

# EU Type Examination Certificate

Date: 2020/10/02

n. **469204020/OE**

Validity:  
2024/07/21

Technical File: **DC-12634/E**

Test report: **RCT n°3812324**

Functions and performance levels: **Requirements according to EN 13634:2017:** all mandatory ones, among which:

Height of upper	level <b>2</b>
Impact abrasion resistance of the upper	level <b>2</b>
Impact cut resistance of the upper	level <b>2</b>
Transverse rigidity of the whole footwear	level <b>2</b>

**Optional requirements according to EN 13634:2017:**

**WR** = water resistance of the whole footwear.

NOTE: the Technical Standard provides 2 performance levels with level 2 meaning the higher performance.

Marking: printed on a stitched label and displaying the following information:

- **CE Marking;**
- name/Trademark of the Manufacturer;
- item designation (= commercial name + alphanumeric code);
- pictogram to indicate the motorcycle use + nr./year of the reference Standard + levels of performance reached during laboratory tests + optional requirement WR;
- date of production (month and year) + pictogram instructing to read the User Manual;
- size indication;
- additional information: "Designed in...", "Made in..." + batch number.

This article is produced in two different production sites (Croatia and Romania). For this reason, two different CE markings are available.
