

EU Type Examination Certificate

Date: 2021/11/16

n. **469214601/OE**

Validity: 2026/11/15

This Certificate cancels the previous one n° 469182419/OI dated 2018/06/15.

The hereunder described items of Personal Protective Equipment have overcome positively the "EU type examination" (Module B), proving their conformity to the safety and health requirements of the Regulation (EU) 2016/425 (Annex II)

Manufacturer: (Responsible of the PPE)	SDE MOTORSPORT s.r.l. via Giorgione, 5 – 31030 ALTIVOLE (TV) – ITALY
Type of PPE:	motorcyclists' protective footwear
Category of PPE:	II : "medium" risks. This certificate is based on reference standards listed below: its validity is no longer ensured should new version of the standards come into force.
Model	"TERRAIN EVO FORC430" col. BLACK (99)

Description:

fastening system: by means of four adjustable polymeric straps with ratchet buckle closure and a flap that extends from the external side of the shin insert with hook and loop closure;
processing: ideal;
outsole: black rubber (MF0237);
midsole: black polymeric material (MF0373);
upper:
- black foam coated with black polymeric material (SI0207) reinforced with grey fabric (SI0187) and black non-woven fabric (SI0004), in the external bootleg;
- black leather coated with black polymeric material (PE0099A) reinforced with beige polymeric material coupled with white non-woven fabric (IR0081), in the internal bootleg;
- black leather coated with black polymeric material (PE0004) reinforced with brown polymeric material (IR0252), in the toe-tip area;
collar: black fabric (AC0659) folded on itself and padded with grey foam material (IR0005);
front and lateral joint: black non-woven fabric coated with black polymeric material (SI0266) coupled with white and grey foam material (IR0114) and grey knitted fabric coated with black polymeric material (SI0161) that also acts as the lining in the front joint only;
vamp lining: black felt (SI0292);
quarter and bootleg lining: black knitted fabric coupled with grey foam material (FO0176);
collar lining: black fabric (AC0659);
bellows: black knitted fabric coated with black polymeric material (SI0149);
insole: beige semi-rigid polymeric material (MF0370) used in size 38; beige semi-rigid polymeric material (MF0175) used in sizes from 39 to 48;
removable insock (perforated): black foam material coupled with black non-woven fabric (MF0357) in contact with the user, used in sizes from 38 to 47; black foam material coupled with black non-woven fabric (MF0365) in contact with the user, used in size 48;
metallic insert of the toe-tip: joined to the footwear by means of screws.

The boot has stiff inserts in polymeric material stitched on the upper, as follows:

- shin insert: black marked "FORMA" with white logo (PL0850);
- heel insert: black (PL0261);
- calf insert: black with black logo (PL0851M);
- fore lateral (external) insert: black (PL0335);
- rear lateral (external) insert: black (PL0334M);

EU Type Examination Certificate
